

Lay Me Down

Alice in Videoland

Want you here with me next to me
In my bed
That's all I want from you
I don't want you to fuck
With my head

Let me lay with you
Play with you
Do what I say
Want you now but I sure as hell

Don't need you to stay

Down (below)
Friday night I let you know
Lay me down (below)
Saturday I take you home
Lay me down (below)
Sunday I want you to go
(Lay me down now)
