Lay Me Down

Alice in Videoland

Want you here with me next to me In my bed That's all I want from you I don't want you to fuck With my head

Let me lay with you Play with you Do what I say Want you now but I sure as hell

Don't need you to stay

Down (below) Friday night I let you know Lay me down (below) Saturday I take you home Lay me down (below) Sunday I want you to go (Lay me down now)
