

No Matter

Alice in Videoland

I close my eyes, I cover my ears, I'm holding my breath trying
not to

Scream and find a way out of this coughness.

I tore my heart out to you, you ripped it apart, now I don't k
now what to

Do, give me out of this hopeless.

Chorus: No matter where I go, No matter what I do, I'm just a p
ig, f**ked

Up and don't have a clue.

I'm all over the place and over at the sane, shall't have follo
wed my

Heart and that is my worst crime.

That is my worst crime, that is my worst crime

And that's my tough, I shook off the rose,
I'm not that strong and I have never been first,
But I'm always in-between.

I try to behave, I try to fit in

I'm not that brave, I know for sure I can't win

I try not to make you see

Kill me~ I'm a prisoner inside my head, kill me, I'm already a
living dead

Kill me, kill me, kill me

Chorus:

No matter where I go, No matter what I do, I'm just a pig, f**k
ed up and

Don't have a clue.

I'm all over the place and over at the sane, shall't have follo
wed my

Heart and that is my worst crime

And that is my worst crime, that is my worst crime
