

# Numb

Alice in Videoland

I'm numb  
I can't feel my arms  
I can't feel my legs  
I can't feel my body  
I can't feel my head

I can't come around  
Don't know what to feel  
I'm nailed to the ground  
I'm too wounded to heal

I can't feel my arms  
I can't feel my legs  
I can't feel my body  
I can't feel my head

I can't come around  
Don't know what to feel  
I'm nailed to the ground  
I'm too wounded to heal

I've got blood on my hands  
A hole in my heart  
I'm afraid of my thoughts and  
I'm falling apart  
I'm surrounded by fear  
Stuck in despair  
And if I make it from here I'll be good, I swear

I'm dreaming away  
I'm making excuses  
Somebody said I'm totally useless  
Give me a reason, give me a sign  
Something to stop me from losing my mind

I'm blind  
I can't see a thing  
I can't hear a word  
I can't even bring myself to be heard

I wanna get out  
I'm locked up for good  
If I speak, if I shout  
I'll be misunderstood

I can't feel my arms  
I can't feel my legs  
I can't feel my body  
I can't feel my head

I can't come around  
Don't know what to feel  
I'm nailed to the ground  
I'm too wounded to heal

I've got blood on my hands  
A hole in my heart

I'm afraid of my thoughts and  
I'm falling apart  
I'm surrounded by fear  
I'm Stuck in despair  
And if I make it from here I'll be good, I swear

I'm dreaming away  
I'm making excuses  
Somebody said I'm totally useless  
Give me a reason, give me a sign  
Something to stop me from losing my mind

I've got blood on my hands  
A hole in my heart  
I'm afraid of my thoughts and  
I'm falling apart  
I'm surrounded by fear  
I'm Stuck in despair  
And if I make it from here I'll be good, I swear

I'm dreaming away
