

# Who's That Boy

Alice in Videoland

Who's that boy in the back of the club?  
Is he playing hard to get 'cause he's so damn hot  
I'm bending over backwards to catch his eye  
I wonder if he knows how hard I try

Maybe I should just let him know where I stand  
Would he be impressed if I said I'm in a band?  
Might be a little bit over the top  
I bet he's gonna tell me to shut the f\*\*k up... shut the f\*\*k up

Here boy  
Get down boy  
Be a good boy  
Here boy  
Get down boy

Who's that boy with that pretty little ass  
I could beat around the bush or make a pass  
I know we gonna make a perfect match  
It shouldn't be that hard, I'm quite a catch... quite a catch

Maybe I should just let him know where I stand  
Would he be impressed if I said I'm in a band?  
Might be a little bit over the top  
I bet he's gonna tell me to shut the f\*\*k up... to shut the f\*\*k up

Here boy  
Get down boy  
Be a good boy  
Here boy  
Get down boy  
Be a good boy  
Be a good boy  
Here boy  
Get down boy  
Be a good boy  
Here boy  
Get down boy  
Be a good boy
