

# The Walrus And The Carpenter

Alice In Wonderland

The walrus and the carpenter  
Were walking cross the land  
The beach was wide from side to side  
But much too full of sand  
"Mr Walrus," said the carpenter,  
"My brain begins to perk  
We'll sweep this clear and in a year  
If you don't mind the work."

"The time has come," the walrus said,  
"To talk of other things  
Of shoes and ships and sealing wax  
Of cabbages and kings  
And while the see is boiling hot  
And whether pigs have wings  
Kaloo Kalay no work today  
We're cabbages and kings"

Oysters, come and walk with us  
The day is warm and bright  
A pleasant walk  
A pleasant talk  
Would be a sheer delight  
(Yes and perhaps if we get hungry on the way  
We'll stop and ah, have a bite!!)  
But mother oyster winked her eye  
And shook her weary head  
She new too well it was much too soon  
To leave her oyster bed  
"The sea is nice  
Take my advice  
And stay right here" mom said

The time has come my little friends  
To talk of other things  
Of shoes and ships and sealing wax  
Of cabbages and kings  
And while the sea is boiling hot  
And whether pigs have wings  
Kaloo Kalay come run away  
With the cabbages and kings

Now ah, let me see  
Ah!! A loaf of bread is what we cheerly need  
(And how about some pepper, salt and vinagar?)  
Ah yes yes of course of course  
Now oysters dear, if you are ready  
We shall begin the feed  
(FEED!!)  
Oh yes ah, the time has come my little friends  
To talk of food and things  
(Of pepper corns and mustard seeds  
And other seasonings  
We'll mix 'em all together  
In a sauce that's made for kings  
Kaloo Kalay we'll eat today  
Like cabbages and kings!!)

I, I wait for you I, oh excuse me  
I deeply sympathize  
For I've enjoyed you company  
Oh much more than you realize  
"Little oysters, little oysters??"  
But answer there came none  
And this was scarcely odd because  
They'd been eaten  
Every-one

THE TIME HAS COME!!!!

Were cabbagges  
And kings!!!!  
The End
