

Living The Life Of A Dreamer

Alice Russell

Who were you before you were?
Before the sweets passed through your teeth
Before the games you learnt weren't there
Before your mama would soap up your hair
Where did you learn to snatch those toys
And tell me where did you learn to make that noise
Screaming seemed to get you far
Spitting your dummy out of your cart
Living the life of a dreamer
Do you know what it means, do you know what it means
Living the life of a dreamer
Do you know what it means, do you know what it means
Greedy greedy greedy, take take take
Then its kissy smily, fake fake fake, Like a cake
A, BC, DEF greedy, do you think that you can change
Up yourself, so you can stand on your friends heads, I said
Chocolate's on the pillows are complimentary
That's what I said, on the fence!
Living the life of a dreamer
Do you know what it means, do you know what it means
Living the life of a dreamer
Do you know what it means, do you know what it means
Dreamer, dreamer, dreamer, dreamer
Dreamer, dreamer, dreamer, dreamer
Living the life of a dreamer
Do you know what it means, do you know what it means
Living the life of a dreamer
Do you know what it means, do you know what it means
Like my friend Icarus, went and melted off his wings
Like a fallen fallen angel lifts his heavy weights before
he sings
That bitch that cut of Samson's hair
It ain't nice, and it sure aint fair
Now everybody, so play fair, we are the same, we are the
same
As everybody, so play fair, we are the same, we are the
same
Who were you before you were
Before the sweets passed through your teeth
Before the games you learnt weren't there
Before your mamma would soap up your hair
Where did you learn to snatch those toys
where did you learn to make that noise
Screaming seem to get you far
Spitting that dummy filling your cart
Living the life of a dreamer
Your living the life do you know what it means
Your living the life of a dreamer
Your living the life do you know what it means
Its not what it seems
