

Butterflyz

Alicia Keys

Hmmmmmm...

Lately when I look into your eyes
I realize, you're the only one I need in my life
Baby I just don't know how to describe
How lovely you make me feel inside

You give me butterflyz
Got me flyin' so high in the sky
I can't control the butterflyz
You give me butterflyz
Got me flyin' so high in the sky
I can't control the butterflyz

It seems like the likely thing
From the start you told me
I would be your queen
But never had I imagined such a feeling
Joy is what you bring
I wanna give you everything

You give me butterflyz
Got me flyin' so high in the sky
I can't control the butterflyz
You give me butterflyz
Got me flyin' so high in the sky
I can't control these butterflyz

You and I
Are destiny
I know that
You were made for me

Ohhhhhh...
I can't control it
It's driven me
It's taken over me and I
Ohhhhhh...

You give me butterflyz
Got me flying so high in the sky
I can't control the butterflyz
You give me butterflyz
Got me flyin' so high in the sky
I can't control these butterflyz

You give me something I just can't deny
Something that's so free
I just can't control the way I feel
And I don't
You give me something I just can't deny
Something that's so free
Oh, I never felt like this
