

Elevate (Interlude)

Alicia Keys

I already know how to touch you, I already know. Because you gotta always add on, you can't bring, can't just do what was done. You gotta always add on, we always build, we always grow, we elevate. It's by elevation, so, the way I touch this now, it's just gotta be like-- like the gods is like, yeah

Yeah, they're like oh! He blew my mind!

Yeah

Wow I think that's a really dope perspective

She was like when I was telling her stuff, oh I can go on too..
