## **Girl On Fire**

Alicia Keys

She's just a girl, and she's on fire Hotter than a fantasy, longer like a highway She's living in a world, and it's on fire Feeling the catastrophe, but she knows she can fly away

Oh, she got both feet on the ground And she's burning it down Oh, she got her head in the clouds And she's not backing down

This girl is on fire This girl is on fire She's walking on fire This girl is on fire

Looks like a girl, but she's a flame So bright, she can burn your eyes Better look the other way You can try but you'll never forget her name She's on top of the world Hottest of the hottest girls say

Oh, we got our feet on the ground And we're burning it down Oh, got our head in the clouds And we're not coming down

This girl is on fire This girl is on fire She's walking on fire This girl is on fire

Everybody stands, as she goes by Cause they can see the flame that's in her eyes Watch her when she's lighting up the night Nobody knows that she's a lonely girl And it's a lonely world But she gon' let it burn, baby, burn, baby

This girl is on fire This girl is on fire She's walking on fire This girl is on fire

Oh, oh, oh...

She's just a girl, and she's on fire
