## How Come You Don't Call Me

Alicia Keys

But all I wanna know is baby If what we had was good...

I keep your picture beside my bed (mmm) And I still remember everything you said (mmm) I always thought our love was so right I guess I was wrong Always thought you'd be by my side papa now you're gone (And I'm not tryin' hear that sh\*t)

What I wanna know baby If what we had was good How come you don't call me anymore

Still light the fire on a rainy night Still like it better when your holding me tight Everybody said Everybody said that we should never part (mmm) Tell me baby baby baby why Why you wanna go and break my heart

All I wanna know is baby If what we had was good How come you don't call me anymore

Sometimes it feels like I'm gonna die If you don't call me Papa Oh you gotta try

I'll get down on my knees Hoping you please please please Oooh won't you call me sometime Papa

Why on earth Can't you just pick up the phone You know I don't like to be alone

How come you don't call me (why must you torture me) How come you don't call me
