

I Need You

Alicia Keys

Nah nah nah nah nah no... no no
nah nah nah nah nah no... no no

The sand loves when
the waves come
the sky can't wait
for the light of the sun

So how could you look me in my eye
and not see what, what I feel inside?
tell me how could you doubt the fact that I
I love you... I love you

Don't you ever, think like that
don't you ever, never do that
there will never be two things that go together better
than you and me

North needs south
east needs west
and no needs
yes yes yes
up needs down
life needs death
and no needs
yes yes yes

I need you
I need you
I need you
I need you

So how could you look me in my eye...

Don't you ever, think like that...

North needs south...

I need you... oh baby...
I need you... everyday...
I need you
I need you
(repeat)

Like the desert needs the rain
like joy needs pain
hey hey hey
hey hey hey
hey hey hey...
