

# If I Was Your Woman

Alicia Keys

(Talking) Hey Yo, Mo B, Drop it on me.  
Yeah, yeah let's do it like this

If I was your woman  
And you were my man  
You'd have no other woman  
You'd be weak as a lamb.

If you had the strength.  
To walk out my door.  
My love would overrule my sins.  
And I'd call you back for more.

If I was your woman  
If I was your woman  
And you were my man, yeahhh

She tears you down darling  
Says you're nothing at all  
But I'll pick you up darling  
When she lets you fall

Cause, You're like a diamond  
But she treats you like glass  
Yet you begged her to love you  
For me you won't ask

If I was your woman  
If I was your woman  
If I was your woman

Here's what I'd do  
I'd never, never, no, no, stop lovin you.  
Yeahhhhhhhh, Yeah, mmm hmmm

Life is so crazy  
And love is unkind  
Because she was first darling  
Will she hang on your mind?

You're part of me  
But you don't even know it  
I'm what you need  
But I'm too afraid to show it

If I was your woman  
If I was your woman  
If I was your woman

Here's what I'd do  
I'd never, never, no, no, stop lovin you

If I was your woman  
Here's what I'd do  
I'd never, never, never stop lovin you.  
Uh, yeah, yeah, yea, yea, yea, yeah
