

Juciest

Alicia Keys

Ooh, yeah
Uh, you know, hey
You know you may think
That you know you got me under wraps, locks and keys and
And that without you I just, I'm gonna be lost
But I got somethin' else for you

Baby, I used to sit home waitin' for your call
I used to have your picture hangin' on my wall
Used to think you were right, but you was wrong
I used to miss you, now I'm glad that you're gone, I,
uh

Baby, I don't care if you don't wanna call me no more
(Yeah...yeah...)
Baby, I don't care if you don't wanna call me no more

'Cause I'm the juciest, baby, girl around (Girl around)
And I got 999 men knockin' on down my door
'Cause I'm the juciest, baby, girl around
(Baby girl, baby girl)
And I don't care if you don't call no more

We used to light a fire on a rainy night
I used to like it when you'd come and hold me tight
I used to believe we would never part, no
But now I've had a change of heart, whoa...

Baby, I don't care if you don't wanna call me no more
(La-la-la-la-la-la-la-la-la, I don't care)
Baby, I don't care if you don't wanna call me no more
(Yeah...yeah...I'm the juciest, baby)

'Cause I'm the juciest, baby (Yeah), girl around
(Baby girl, baby girl)
And I got 999 men knockin' down on my door
(Cause they gotta have sweet now)
'Cause I'm the juciest, baby, girl around (Baby)
And I don't care if you don't call no more (Said I
don't care if you don't call me no more)

'Cause I'm the juciest, baby (Juicy), girl around
(Ho...)
And I got 999 men knockin' down on my door (And all my
peoples who is juicy I want you to say, "Yeah")
'Cause I'm the juciest, baby (Uh-huh), girl around
(He's juicy)
And I don't care if you don't call no more (Biggie
Smalls is juicy)

'Cause I'm the juciest, baby (Mmm), girl around
(He's Kool-Aid)
And I got 999 men knockin' down on my door
(La-la-la-la-la-la-la-la-la)
'Cause I'm the juciest, baby (Juciest, baby), girl
around (And you know that's right)
And I don't care if you don't call no more

(Now I'm glad that you're gone)

Baby, I don't care if you don't wanna call me no more
Baby, I don't care if you don't wanna call me no more
