

# More than We Know

Alicia Keys

Uh come on, yes  
(What y'all know about that?  
...shit's hard)

If I could breathe underwater  
Every fish would walk on land  
If I could fly in the sky baby  
Then wings would be on me  
If words could move mountains  
If I could swim the ocean without drownin'  
If there was pain without hurtin'  
Then the impossible has been found

'Cause baby we can do more than we know, more than we know  
And baby, baby, oh, there's more than we know, more than we know

Yeah, yeah, if I could moonwalk on the moon  
I would glide to you baby  
I'd go to war like a platoon  
I'd be right there on the front lines  
No broken promises in the Promise Land  
Let's let freedom set us free again

'Cause baby we can do more than we know, more than we know  
And baby, baby, oh, there's more than we know, more than we know

Uh, yeah, uh  
See if we just stayed on the ground  
Then we would never see the stars  
And if you're too afraid to walk in faith  
Then you will never know your heart  
And if we just stayed on the corner  
Then we would never see the world  
'Cause baby there's no fate that you can't create

'Cause baby we can do more than we know, more than we know  
And baby, baby, oh, there's more than we know, more than we know  
Baby we can do more than we know, more than we know  
(Yeah darlin')  
'Cause baby, baby, oh, there's more than we know, more than we know

If we can believe baby  
Do you believe it baby  
Do you believe in me darlin'?  
(More than we know)  
Do you trust in me baby?  
When I tell you we can do it  
Let me show you we can do it  
We can go  
(More than we know)  
Oh, oh, oh, oh  
(More than we know)  
Woo-hoo, woo-hoo, woo-hoo, woo-hoo  
Oh, oh, oh, oh, oh, oh  
Hey, hey, hey, put 'em back up around  
Hey, hey, hey  
More than we know

'Cause baby we can do more than we know
