## **New Day**

AK, New day AK, auu!

Party people say, Party people say Ay, it's a new day, it's a new day While they getting ready, everybody ready, yeah For a new day, for a new day Celebrate and say, ay, ay, ay, ay

It's alright to feel however you want to There's no limitation no Fill up your life, let me see your hands up one time We celebrate mine, cause I ain't gonna get no more So we can do this all night One time, everybody say ay ay oh

There's a feeling that I got that I can't give up Feeling in my heart that I can't get over I know that it's coming like the sun come up Tell me do you feel like say, everybody say

Party people say, Party people say Ay, it's a new day, it's a new day While they getting ready, everybody ready, yeah For a new day, for a new day Celebrate and say, ay, ay, ay, ay

Take a look in my eyes, can't you see i'm ready Come along, let's get it, eh If you wanna touch the sky, hands in the air one time All night, no doubt it I'mma live it loud like there's only one life Have to live it up, one life, have to live it up

There's a feeling that I got that I can't give up Feeling in my heart that I can't get over I know that it's coming like the sun come up Tell me do you feel like say, everybody say

Party people say, Party people say Ay, it's a new day, it's a new day While they getting ready, everybody ready, yeah For a new day, for a new day Celebrate and say, ay, ay, ay, ay

Eyes on the wall It's now or never at all I'm gonna give it my all Whether I rise or fall I'm gonna give it my all

Party people say, Party people say Ay, it's a new day, it's a new day While they getting ready, everybody ready, yeah For a new day, for a new day Celebrate and say...
