

# Nova

Alicia Keys

I just want you close  
Where you can stay forever  
You can be sure  
That it will only get better

You and me together  
Through the days and nights  
I don't worry 'cuz  
Everything's going to be alright  
People keep talking they can say what they like  
But all i know is everything's going to be alright

Nova, nova, nova  
Can get in the way of what I'm feeling  
Nova, nova, nova  
Can get in the way of what I feel for you, you, you  
Can get in the way of what I feel for you

When the rain is pouring down  
And my heart is hurting  
You will always be around  
This I know for certain

You and me together...

Nova, nova, nova...

I know some people search the world  
To find something like what we have  
I know people will try try to divide something so real  
So til the end of time I'm telling you there is no one

Nova, nova, nova...
