

# Rock Wit U

Alicia Keys

There's no escape on the spell you have placed  
Leaving my heart and my mind  
Foolish am I if I was to try to ever leave you behind

I wanna rock wit you, come give me all your love  
No matter what we do, I wanna rock wit you  
Wit you wit only you, wit you wit only you  
I wanna rock wit you

I'll stay and walk this life wit you  
No matter what we may go through  
Dead broke, no job, no house, no ride  
I'm goin' stay right by your side

I wanna rock wit you, come give me all your love  
No matter what we do, I wanna rock wit you  
Wit you wit only you, wit you wit only you  
I wanna rock wit you

Don't question where you're headed to, my love  
Don't be afraid, just believe in love

I wanna rock wit you  
No matter what we do  
Wit you wit only you  
I wanna rock wit you (3x)

Do your thing, do your thing,  
do your thing, do your thing  
(fade out)
