

# Stolen Moments

Alicia Keys

Remembering the days when our love began  
Thinkin of a million ways  
to escape and be with you  
But reality wasn't just you and I  
It was long drawn out days and lonely nights

Dreaming bout you  
I keep dreaming bout you  
when I'm dreaming bout when you would say

R: Let me take you to another place  
where nothing ever seems to matter  
it's just you and me  
we can take flight like a thief in the night  
stolen moments with you (o0ohhh o0o0oh)

Destiny didn't have such a simple plan (simple plan)  
I was just a girl and you a young man  
how could age define  
something so divine (so divine)  
Can this even be real or just exist in my mind

Dreaming bout you  
I keep dreaming bout you  
when I'm dreaming bout when you would say

R: Let me take you to another place...

Dreaming bout you  
I keep dreamin'g bout you  
when I'm dreamin and waiting for the day  
when noone and nothing else takes up our time  
finally you're only mine

Each and everyday  
I don't walk with you right by my side  
but instead we have to hide  
sneak around and lie  
just to spend time alone  
This lovin is a crime  
I'd rather do the time  
and leave the world behind

R: Let me take you to another place...

Let's get away  
Let's get away  
ooh ooh

We can get away  
we can get away  
ohhh ohhh

Let's get away  
Let's get away  
ohhh ohhh

We can get away  
we can get away  
ohhh ohhh
