## **The Thing About Love**

Love

**Alicia Keys** 

love will come find you just to remind you of who you are Hold on it will forsake you threaten to break you take what you got Everybody laughs everybody cries sure it could hurt you baby but give it a lil try see that's the thing about love Friends sometimes will blind you sneak up behind you you cant give enough Then life it will embrace you totally amaze you so you don't give up Everybody laughs everybody cries sure it could hurt you baby But give it a lil try see that's the thing about love Don't tell me that i'm not the only that's going thru it all ohhh sometimes i feel like i'm the only that's going thru it all but its time oh its time for me to shine hey its my time oh its time for me to shine It's my time said its my time for me to shine it's my time it's bout time for me to shine Everybody laughs everybody cries sure it could hurt u baby but give it a lil try that's the thing about love that's the thing about love that's the thing about

that's the thing about love
