

# Un-Thinkable (I'm Ready)

Alicia Keys

Moment of honesty, someone's gotta take the lead tonight  
Who's it gonna be?  
I'm gonna sit right here and tell you all that comes to me  
And if you have something to say, you should say it right now  
That comes to me  
And if you have something to say  
You should say it right now

You ready?  
You give me a feeling that I've never felt before  
And I deserve it, I think I deserve it  
It's becoming something that's impossible to ignore  
And I can't take it

I was wondering, maybe, could I make you my baby?  
If we do the unthinkable, would it make us look crazy?  
If you ask me, I'm ready  
If you ask me, I'm ready

I know you said to me  
This is exactly how it should be when it's meant to be  
Time is only wasting, so why wait for eventually?  
If we don't do something 'bout it, we should do it right now, baby

You give me a feeling that I've never felt before  
And I deserve it, I know I deserve it  
It's becoming something that's impossible to ignore  
It is what we make it

I was wondering, maybe, could I make you my baby?  
If we do the unthinkable, would it make us look crazy?  
Or would it be so beautiful? Either way I'm saying  
If you ask me I'm ready, if you ask me I'm ready

Yeah, yeah, saying why give up before we try?  
Feel the lows before the highs  
Clip our wings before we fly away  
I can't say I came prepared, I'm suspended in the air  
Won't you come be in the sky with me?  
I'm suspended in the air  
Won't you come be in the sky with me?

I was wondering, maybe, could I make you my baby?  
If we do the unthinkable, would it make us look crazy?  
Or would it be so beautiful? Either way I'm saying  
If you ask me I'm ready, if you ask me I'm ready  
If you ask me I'm ready, if you ask me I'm ready
