

Where Do We Go From Here

Alicia Keys

We're at the crossroads, my dear
Where do we go from here?
Maybe you won't go, maybe you'll stay
Oh I know I'm gonna miss you either way
It's such a lonely road

R: Where do we go from here?(We go)
All I can do is - follow the tracks of my tears
Oh

When I cry your name
Am I calling in vain?
Oh and am I waiting only to drown in pain
Oh
Don't you do it
No, said don't you leave me this way

I don't know
If I can lift my head and face another day
Ooh it's such a lonely road

R: Where do we go from here?...

Usually not the kind of girl who's lost and looking for direction
(Who could this be? Staring at me)
When I'm looking in the mirror trying to find a resolution
(Way too far gone, to find my way home)

R: Where do we go from here?...
