

## New Christian Music

Alien Sex Fiend

Got my wheels a-rolling  
Set the world on fire  
When you were down gurl  
I couldn't get much higher...fire!!

Looking cheap and nasty  
Like some second hand lil  
You went and got high on some  
Birth control pill, higher!

Looking quite uptight  
Hair in ruins, ruins  
Look into my eyes  
Before I say goodbye...Bye

New Christian Music, Music!  
New Christian Music, Music!

Looking quite uptight  
Like some second hand lil  
You! You! Yeah you! Got high on some  
Birth control pill, pill

New Christian Music, Music!  
New Christian Music, Music!

New Christian Music, Music!  
New Christian Music, Music!

I am the lord of garbage.
