

# I Will

Alison Krauss

Who knows how long I've loved you  
You know I love you still  
Will I wait a lonely lifetime  
If you want me to, I will

And if I ever saw you  
I didn't catch your name  
But it never really mattered  
I will always feel the same

Love you forever and forever  
Love you with all my heart  
Love you whenever we're together  
Love you when we're apart

And when at last I find you  
Your song will fill the air  
Sing it loud so I can hear you  
Make it easy to be near you  
And the things you do endear you to me  
How you know I will

I will

Love you forever and forever  
Love you with all my heart  
Love you whenever we're together  
Love you when we're apart

And when at last I find you  
Your song will fill the air  
Sing it loud so I can hear you  
Make it easy to be near you  
And the things you do endear you to me  
How you know I will

I will
