

## It Won't Work This Time

Alison Krauss

You walked up yesterday and you told me you were leavin'  
Left a note sayin' momma won't be back  
But you'll come back and I've got news for you dear  
You won't have a home and that's a fact

Don't you come back on your knees asking my forgiveness  
Pack your bags and move on down the line  
Don't you roll them eyes at me, tellin' me your sorry  
It's too late babe, and it won't work this time

I've always been around, Lord when you needed someone  
I played the role 'til I knew each line by heart  
But now it's time to change, won't you find another playmate  
Someone who'll be glad to play the part

Don't you come back on your knees asking my forgiveness  
Pack your bags and move on down the line  
Don't you roll them eyes at me, tellin' me your sorry  
It's too late babe, and it won't work this time

Don't you come back on your knees asking my forgiveness  
Pack your bags and move on down the line  
Don't you roll them eyes at me, tellin' me your sorry  
It's too late babe, and it won't work this time
