## You Don't Know Me

## **Alison Krauss**

You give your hand to me And then you say hello And I can hardly speak My heart is beating so And anyone can tell You think you know me well But you don't know me

No you don't know the one Who dreams of you at night And longs to kiss your lips Ànd whoms to hold you tight To you I'm just a friend That's all I've ever been But you don't know me

For I never knew, the art of making love Though my heart aches with love for you Afraid and shy, I let my chance go by The chance, that you might have loved me too

You give your hand to me And then you say goodbye You watched me walk away Beside my lucky guy To never, never know The one who loves you so No you don't know me

For I never knew, the art of making love Though my heart aches with love for you Afraid and shy, I let my chance go by The chance, that you might have loved me too

You give your hand to me And then you say goodbye You watched me walk away Beside my lucky guy To never, never know The one who loves you so No; you don't; know me ...
