

# All Cried Out

Alison Moyet

You took your time to come back this time  
The grass has grown under your feet  
In your absence I changed my mind  
And someone else is sitting in your seat

I know that I said there'd be no one else  
I know that I said I'd be true  
But baby, I burned the Cupid's arrow  
And here's the short and the narrow, I've nothing left to offer you

I'm all cried out, you took a whole lot of loving  
For a handful of nothing  
All cried out, it's hard to give you something  
When you're pushing and shoving me around

So don't look surprised there was no disguise  
You knew where I stood from the start  
So stop, look around you  
You're right back where I found you  
Take back your cold and empty heart

All cried out, you took a whole lot of loving  
For a handful of nothing  
All cried out, it's hard to give you something  
When you're pushing and shoving

All cried out, you took a whole lot of loving  
All cried out, it's hard to give you something  
When you're pushing and shoving me around

You go your way  
I'll go mine  
I won't stay around here  
Don't you waste my time

All cried out, you took a whole lot of loving  
For a handful of nothing  
All cried out, it's hard to give you something  
When you're pushing and shoving

All cried out, you took a whole lot of loving  
All cried out, it's hard to give you something  
When you're pushing and shoving me around

All cried out, you took a whole lot of loving  
For a handful of nothing  
All cried out, you took a whole lot of loving

All cried out, you took a whole lot of loving  
For a handful of nothing  
All cried out, it's hard to give you something
