

Love Letters

Alison Moyet

Love letters straight from your heart
Keep us so near while apart

I'm not alone in the night
When I can have all the love that you write
I memorize every line
And I kiss the name that you sign
And darling then I read again
Right from the start
Love letters straight from your heart

I memorize every line
And I kiss the name that you sign
And darling then I read again
Right from the start
Love letters straight from your heart
