Only You

Alison Moyet

Looking from a window above It's like a story of love Can you hear me? Came back only yesterday I'm moving farther away Want you near me All I needed was the love you gave All I needed for another day And all I ever knew Only you Sometimes when I think of her name When it's only a game And I need you Listen to the words that you say It's getting harder to stay When I see you All I needed was the love you gave All I needed for another day And all I ever knew Only you All I needed was the love you gave All I needed for another day And all I ever knew Only you This is going to take a long time And I wonder what's mine Can't take no more (can't take no more) Wonder if you'll understand It's just the touch of your hand Behind a closed door

All I needed was the love you gave All I needed for another day And all I ever knew Only you
