

## Situation

Alison Moyet

Blue eyed dressed for every situation  
Moving through the doorway of a nation  
Pick me up and shake the doubt  
Baby I can't do without

Move out, don't mess around  
Move out, you bring me down  
Move out, how you get about?  
Don't make a sound just move out

I remember only for an hour  
Move right through me, can you feel the power?  
I don't know what's going on  
It scares me but it won't take long

Now he's in control, he is my lover  
Nations stand against him, he's your brother  
Been a long time, been a long time now  
I'll get to you somehow
