

## Jaked on Green Beers

Alkaline Trio

It's been a long time since I've been close to you  
It's been a long time since I've been sad.  
It's been a while since I've really spent time with you  
Wish I could take back the times that I had.  
The only thing that you ever really did for me  
Was make me oh so miserable.  
And the hope that I never see your face again  
Is anything but questionable.

I hope this is goodbye.  
I hope this is goodbye.

There was a time when I thought you were a friend to me  
I think those times I was probably just drunk.  
And if they offered a test about being a good friend  
I'd put money down that you'd surely flunk.  
The only thing that you ever really took from me  
Were my records to sell them for dope.  
Now all I have left is this heart in my chest  
And my happiness helping me cope

I hope this is goodbye (4x)

Hawk them for dope.  
Now all I have left is this heart in my chest,  
Your dishonesty helping me cope.
