

Keep 'Em Coming

Alkaline Trio

14 hours ahead - a head that's heavier than lead
and I've got toothpicks in my eyes, a smile more yellow than the sky
I've got a song stuck in my head, one that I miss more than my bed
It's a song sung from a fallen milkman who's drinking bleach instead
I'm much like him.

14 hours unfed - I spent the last cents in my head
They're worth much less than pennies now
Food for one thought shared with a crowd
I've got a painting in my head, a deeper blue bled thicker red
More red than Bloody Mary's coast to coast
I hate flying I said - that's what I said

Sad, sorry excuse.
Just like everything that made her smile and everything I use
I won't go back to the way it was
I'm now huffing gas and sniffing paint,
to take away this buzz that I call you.

Toothpicks pry open my eyes, a smile more yellow than the sky
I've got a song stuck in my head, one that I miss more than my bed

I'm much like him.
