

# Kiss You To Death

Alkaline Trio

Taking a ride down to your place  
I'll be dropping by tonight  
You'll hear me coming from miles away  
Screaming banshees haunting my motorbike

Taking a ride down to your place  
Dropping by in just a little while  
And I don't care if we fuck or we talk or we cry  
I just miss you, I wanna kiss you to death tonight  
Ooh oh oh oh kiss you to death tonight  
Ooh oh oh oh kiss you to death tonight

Taking a ride down to your place  
I haven't seen you in a while  
I miss taking out the trash, I miss your face  
I miss your cat, I miss your smile  
I wanna kiss you to death tonight  
Ooh oh oh oh kiss you to death tonight  
Ooh oh oh oh kiss you to death tonight

Woah oh oh oh you're in my heart  
You're in my skull. You're in my blood  
You're in my bones  
Ooh oh oh oh you're in my heart  
You're in my skull. You're in my blood  
You're in my bones ya

Kiss you to death tonight  
Kiss you to death tonight  
Kiss you to death tonight  
Kiss you to death tonight
