

# Off My Mind

**Alkaline Trio**

Baby, I just can't get you off my mind  
I'd hang out with you all the time  
If I didn't have to work

Maybe I should think about giving that up too

Baby, you're all that I need to live  
And I got so much to give  
Let's throw the world away

Close your eyes  
It's too late to say goodbyes

Baby, now you are the only thing  
That every morning brings  
So don't let me down
