

Olde English 800

Alkaline Trio

O, L, D, E,
E, N, G,
L, I, S, H,
Eight hundred,
Now I feel a whole lot better about myself

Eight hundred,

You're charcoal filtered,
Sun yellow malt liquor,
You make my grey skies blue
I drink a day,
Lay as my liver's failing,
But I don't give a fuck,
Olde English I'm in love with you
