

# Christmas With My Baby

All 4 One

I've been gone away from home for too long  
And it's drivin' me crazy  
'cause i'm missin my baby  
I call her on the phone every day  
Just to say  
Even though we're apart  
Baby you're always in my heart  
I can't wait to see my baby  
Smilin' right at me  
I just wanna kiss her  
Ooo, i really miss her  
And everything will be fine with me  
Once i get to see  
My baby baby at christmas time

I just can't wait to spend  
Christmas with my baby  
Just seeing you again  
Holding you so gently  
We're playing in the snow  
Just havin' a great day  
I wanna be with you for christmas

Now that christmas time is here  
Filled with cheer  
My heart is beating so fast  
I don't know if i can last  
Excitement's building up in me  
I'm shaking  
I've got a present for you  
And girl you'll get it soon

I can't wait to see  
My baby smiling right at me  
I just wanna kiss her  
Ooo, i really miss her  
And everything will be fine with me  
Once i get to see  
My baby baby at christmas time

And i just can't wait to spend  
Christmas with my baby  
Just seein' you again  
Holding you so gently  
Sittin' by the fireplace  
Just havin' a great day  
I wanna be with you for christmas

I just can't wait to spend  
Christmas with my baby  
With you in my arms again  
Holding you so gently  
Let's decorate the christmas tree  
Just havin' a great day  
I wanna be with you for christmas

I just can't wait to spend

Just seeing you again  
We're playing in the snow  
I wanna be with you for christmas

I just can't wait to spend  
Christmas with my baby  
Just seeing you again  
Holding you so gently  
We're playing in the snow  
Just havin' a great day  
I wanna be with you for christmas...

I just can't wait to spend  
Christmas with my baby  
Kissing under mistletoe  
Christmas with my baby  
Playing in the snow  
Christmas with my baby  
I wanna be with you for christmas

I want to be with you baby  
Christmas with my baby  
Playin in the snow  
Christmas with my baby  
Kissing under mistletoe  
Christmas with my baby  
I wanna be with you for christmas

Christmas, christmas  
Christmas with my baby  
Christmas, holding you so gently  
Playin' in the snow  
Just havin' a great day  
I wanna be with you for christmas
