

Colors Of Love

All 4 One

Blue is a color - that i'm seeing for the very first time
In the skies - in your eyes
Every time we're together and you put your little hand in mine

Blue is a feeling - that i'm never gonna have again
Can't be blue - i've got you
And lady in you i've found a lover and a friend

Whenever i'm with you - color me happy
Whenever we touch - color me hot
You color my world in

Colors of love - shades of emotion
At the end of the rainbow
We found everlasting love and devotion

Red are the roses - that you're holding in your hand
When you need - tender lovin'
Pretty lady you know i'm your man

Red is the color - of the passion that i feel for you
When it's hot - burnin' up
Sexy lady you know i'm so in love with you

Whenever i'm with you - color me happy

You color my world in
