Sometimes I stop
Take a look at myself
And realize just what I've done
It's not that I'm better than
It's just that I thought "I can."
I played the odds and I won

So I have no right to complain Or feel sorry for myself When so many more have less I look around And I realize

I am so blessed Yes I am blessed I am so blessed Yes I am blessed

It's hard to concieve
People look up to me
And somehow it makes them believe
That as long as you dream
No matter what life may bring
With God you can do anything

There may be times when the world Seems so cold And times when I cannot rest (I don't complain) Cause I know inside that...

I am so blessed (In the morning when I rise) Yes I am blessed I am so blessed I am blessed, Yes I'm blessed

Of all of the places I've been
And people that I've met
A lifetime of memories I'll never forget
I look back with no regrets 'cause...

I am so blessed Yes I am blessed I am so blessed Yes I am blessed

Blessed..

OOoohhhhh!
