

## I'm Your Man

All 4 One

If you've been hurt and you feel you can't go on, the pain  
In your heart is much too strong, it's been there too long-  
It's time to let go and to find you someone new,  
Someone who really cares and will always be there for you  
One who will hold you tight morning noon and night,  
Gently kiss your lips under candle light, give you all you need

Love you endlessly for life

If you're looking for love and romance, someone who cares  
And understands, i'm your man, i'm your man, i'm your man  
Baby i'm your man and girl i'll treat you right, hold you tight  
,  
And make sweet love all through the night,  
I'm your man, i'm your man, i'm your man, i'm your man

Now he promised you he would never let you down, but when  
You needed love, there never was- just could not be found-  
He played with your heart, just like it was a game, but girl  
Never, never again just let me in, girl things will never be  
The same, girl i'll hold you tight, morning noon and night-  
Gently kiss your lips under candle light, give you all you need  
,  
Love you endlessly for life

And understands, i'm your man, i'm your man, i'm your man

And make sweet love all through the night,
