

I Swear

All 4 One

1. I see the questions in your eyes
I know what's weighin on your mind
But you can be sure I know my, part
Cause I'll stand beside you through the years
You'll only cry those happy tears
And though I'll make mistakes
I'll never break your, heart

R: I swear by the moon and the stars
in the sky I'll be , there
I swear by the shadow that's by your side
I'll be, there
For better or worse
Til death do us part
I'll love you with every beat of my heart
I Swear

2. I'll give you everything I can
I'll build your dreams with these two hands
We'll hang some memories on the walls
And when, there's silver in your hair
you won't have to ask if I still care
Cause as time turns the page
My love won't age at all
