I Swear

- 1. I see the questions in your eyes I know what's weighin on your mind But you can be sure I know my, part Cause I'll stand beside you through the years You'll only cry those happy tears And though I'll make mistakes I'll never break your, heart
- R: I swear by the moon and the stars in the sky I'll be , there I swear by the shadow that's by your side I'll be, there For better or worse Til death do us part I'll love you with every beat of my heart I Swear
- 2. I'll give you everything I can I'll build your dreams with these two hands We'll hang some memories on the walls And when, there's silver in your hair you won't have to ask if I still care Cause as time turns the page My love won't age at all R:
