

# Not Ready for Goodbye

All 4 One

Sitting here staring at the wall  
Another lonely tear falls  
I'm trying to write you this song  
But I can hardly see the page at all

Cause it's breaking my heart  
When I look in your eyes  
And I don't see me anymore  
When you're all I'm living for

Baby tell me that you still believe  
That you still love me  
The way I love you  
If you took your love away from me  
You know I would die  
Cause I'm not ready for goodbye

Baby please pick up the phone  
Tell me I'm crazy  
I got it all wrong  
I don't know what I'm gonna do  
I don't know how to live without you

You are the first song  
My heart ever heard  
And baby I, I believed every word  
You are my heart, my soul, my world

Baby tell me that you still believe  
That you still love me  
The way I love you  
If you took your love away from me  
You know I would die  
Cause I'm not ready for goodbye

Every breath that I take  
Every beat of my heart  
You know it's all for you  
I wanna hold you  
I wanna love you  
Forever and always

Baby tell me that you still believe  
That you still love me  
The way I love you  
If you took your love away from me  
You know I would die  
Cause I'm not ready for goodbye

Baby tell me that you still believe  
That you still love me  
The way I love you  
If you took your love away from me  
You know I would die  
Cause I'm not ready for goodbye  
Goodbye, goodbye, goodbye
