Something About You

Something about you baby That makes me wanna hug ya (hug ya) love ya (love ya) Something about you baby That makes me wanna know ya (know ya) show ya That i only wanna be with you Something about you baby Something about you baby

We just got off the phone I went and wrote this song 'cause girl you inspire me You left this kind of love That's really let's me know You're not the average lady

So baby i wanna tell you that i love you so And that i'm different than the average joe 'cause girl you touch me in that special way That's why i wanna tell ya that i'm here to stay

Something about you baby That makes me wanna hug ya (hug ya) love ya (love ya) Only wanna be Something about you baby That makes me wanna get to know ya (know ya) show ya That i only wanna be with you Something about you baby Something about you baby

Oh, baby can't you see I want you here with me Forever and a day (a day) 'cause girl you're so fine You got me mezmorized Just by the way you carry yourself So can i spend some time alone with you And show you all the thing i wanna do Like take you out and have a real good time 'cause girl i can't get you off of my mind

Something about you baby That makes me wanna hug ya (hug ya) love ya (love ya) Only wanna be Something about you baby That makes me wanna get to know ya (know ya) show ya That i only wanna be with you Something about you baby Something about you baby Something about you baby

So can i spend some time alone with you And tell you all the things i wanna do Like take you out and have a real good time 'cause girl i can't get you off of my mind

Something about you baby That makes me wanna hug ya (hug ya) love ya (love ya)

All 4 One

Only wanna be Something about you baby That makes me wanna get to know ya (know ya) show ya That i only wanna be with you Something about you baby Something about you baby Something about you Only wanna be with you...
