

This Christmas

All 4 One

Hang all the mistletoe
I'm gonna get to know you better
This christmas
And as i trim the tree
How fun it's gonna together
Oh, this christmas
The fire side is blazing bright
And were carolin' through the night
And this christmas
Will be, a very special christmas for me
Presents and cards are here
My world is filled with cheer and you
Ya, this christmas
And as i look around
Your eyes out-shine the town
They do
Ya, this christmas
Fire side is blazing bright
And were carolin' through the night
And this christmas
Will be a very special christmas
For me
Oh, fire side is blazing bright
And were carolin' through the night
And this christmas
Will be, a very special christmas for me
Hang all the mistle toe
I'm gonna get to know you better
Ya, this christmas
And as i trim the tree
How fun it's gonna be together
O, this christmas
Oh, the fire side is blazing bright
And were carolin' through the night
And this christmas
Will be, a very special christmas for me
This christmas, this christmas
This christmas, this christmas
This christmas, this christmas
This christmas, this christmas
The fire side is blazing bright
This christmas
Caroling all through the night
This christmas
Come be with me tonight
