

## We Dedicate

All 4 One

Jesus loves me this i know  
He gave his life to let me know  
How ever far that i may stray  
He's only just a friend

Jesus loves me i can say  
He watches me both night and day  
He show's his love  
In many ways  
And to him this is why i pray

Jesus loves me he's my friend  
He's been with me through thick and thin  
And i sing this song to praise his name  
For blessing me time and time again

Jesus loves me this i sing  
He blessed me with my family  
A love so strong, a love so deep  
That i only could here today

Yes, jesus loves me  
Yes, jesus loves me  
Yes, jesus loves me  
For the bible tell's me so

Lord we dedicate  
Our heart's and our lives  
Our lives and song to (thank you father) me
