

# When I Needed an Angel

All 4 One

What can I say,  
When I can't find the words to possibly explain  
What I'm feeling inside  
I tried to believe,  
My whole kept faith everyday that passed me by  
And then you came in my life  
And now I am living proof  
Of what the gift of pure love can do

When I needed an angel  
Here was you who made the sacrifice  
Just in the nick of time  
When I needed an angel  
I didn't have to look to the sky  
Cause you made me realize  
That you were right here all the time (right here all the time)  
Right here all the time

Sometimes I cry  
When I think about everything you've done for me  
And I still can't believe  
That I can live my life  
Every breath I take I take for you and me  
That's a promise I'll keep  
And each night I think of you  
And how your gift of love pulled me through

When I needed an angel  
Here was you who made the sacrifice  
Just in the nick of time  
When I needed an angel  
I didn't have to look to the sky  
Cause you made me realize  
You were right here all the time (right here all the time)  
Right here all the time

Baby one day everyone will say  
That I wanna be somebody's angel  
And I will tell the world (tell the world) about this miracle  
Every moment I'm awake I'll give the love you gave  
Ohhh angel...

When I needed an angel  
Here was you who made the sacrifice  
Just in the nick of time  
When I needed an angel  
I didn't have to look to the sky  
Cause you made me realize  
That you were right here all the time  
You were right here all the time
