

It's All Too Much

All About Eve

It's all too much
When I look into your eyes
Your love is there for me
And the more I go inside
The more there is to see.

It's all too much for me to take
The love that shines all around me
Everywhere it's what you make
For me to take it's all too much.

Floating down the stream of time
From life to life with me
Makes no difference where you are
Or where you'd like to be.

It's all too much for me to take
The love that shines all around here.
All the world is birthday cake
So take a piece but not too much.

Sail me on a silver sun
Where I know that I am free
Show me that I'm everywhere
And get me home for tea.

It's all too much for me to take
There's plenty there for everybody
The more you give the more you get
The more it is and it's too much.

It's all too much for me to see
The love that shines all around you
The more I learn the less I know
But what I do is all too much.

It's all too much for me to take
The love that shines all around you
Everywhere it's what you make
For me to take it's all too much.
