

# She Moves Through The Fair

All About Eve

My young love said to me  
My mother won't mind  
And my father won't slight you  
For your lack of kind  
And she laid her hand on me  
And this she did say  
It will not be long 'till our wedding day

And she went away from me  
And she moved through the fair  
And fondly I watched her move here and move there  
And then she went onwards  
Just one star awake  
Like the swan in the evening  
Moves over the lake

Last night she came to me  
My dead love came in  
So softly she came that her feet no din  
And she laid her hand on me  
And this she did say  
It will not be long now  
Till our wedding day
