

# Regrets

## All Ends

We haven't said a word since we woke up  
Please, I don't want to hurt you I had to tell you the truth  
I know you're the one  
But temptation became too strong  
The touch of his hand, his lips on my neck

I'll regret it 'til the day I die  
But you never see me when I cry  
I'll regret it 'til the day I die  
But you never see me

I wish that I could turn back time  
Turn right instead of left  
I heard him calling in a way  
You never did

I longed for being that close to you  
But you were never there  
Believe me, oh  
I waited day in day out

I'll regret it  
'Til the day I die  
But you never see me when I cry

I'll regret it  
'Til the day I die  
But you never see me

I want you to love but what's the point  
Make me feel whole again  
He gave me everything while you  
Just pushed away  
Your weakness and your lack of feelings  
Ruined everything  
If it wasn't for you  
We wouldn't be where we are today

I'll regret it  
'Til the day I die  
But you never see me when I cry

I'll regret it  
'Til the day I die  
But you never see me

I'll regret it  
'Til the day I die  
But you never see me when I cry

I'll regret it  
'Til the day I die  
But you never see me

I'll regret it
