

# Ticking Timebomb

All Girl Summer Fun Band

I always find a pic by the phone when I find myself alone,  
And I write a love song about you.  
You ask me if I'm blue and I tell you that I'm happy just thinking about you.

You've turned my heart around and you let me see  
A side of you that no one else has seen.  
The lights are turned way down and you're whispering your thoughts,  
Your fears, your worries and your dreams.  
Do you know I worry on the inside,  
I will find out that you were untrue.  
My friends all tell me you're a ticking time bomb (he's a ticking time bomb)  
I worry that you'll break my heart in two.
